SIEGE OF THE ALAMO

Beginning on this day in 1836, a small group of freedom fighters engaged the army of General Santa Ana at the Alamo in a battle for Texan independence from Mexico. Jim Bowie, commanding colonel, and Davy Crockett were among the approximately 184 defenders who fought against an army estimated at between 1,600 and 6,000 men. Thirteen days later, Santa Ana broke through the barricades and claimed victory, killing 183, including Bowie and Crockett. Having suffered considerable casualties, Santa Ana's army was so weakened and disjointed that Sam Houston was ultimately able to achieve independence for Texas. The Alamo, so named for the grove of cottonwoods that surrounded the 18th-century mission (*alamo* is Spanish for cottonwood), has become a symbol of heroism and sacrifice.

CHAIRMAN'S COMMENT

Since Don didn't get a round tuit, we will give him a round tuit.

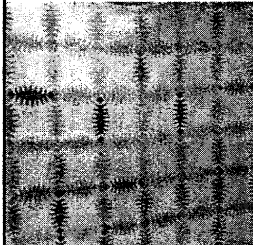

ADOPTED CABINS

Various clubs have adopted cabins and need to prepare these cabins for another ever growing camping season. Can't remember your club's cabin, well listen up (Read Up?):

- Cabin A – Pike "The Best Club by a Damsite!"
- Cabin B – Connersville
- Cabin C – Lawrence
- Cabin D – Richmond
- Cabin 1 – Middletown
- Cabin 2 – New Salem
- Cabin 3 – Chapel Hill
- Cabin 4 – Ben Davis
- Cabin 5 – Speedway
- Cabin 6 – Franklin Twp.
- Cabin 7 – Franklin
- Headquarter Cabin – Southport
- Executive Cabin – Shelbyville

The above will need a full spring cleaning and possible maintenance. Let's plan on a "PITCH-IN" noon meal. Everybody bring a dish to share. Better if that dish has food in it. Good times, good food, good fellowship, good gosh! Don't miss this.

EXCLUSIVE PRIVILEGE

Who can sponsor a group to Lions Camp Project, District 25-F, Inc. a.k.a. Camp Woodsmoke "The Best!". Only Lions clubs in District 25-F may submit an application. The application for use of Camp Woodsmoke must be signed **ONLY** by the **PRESIDENT OR SECRETARY** of a Lions Club of District 25-F. The President or Secretary signing the application must realize that the club will be held responsible for any damage done by the sponsors group. Ask questions...does the group applying have adequate adult supervision, are they aware of the camp rules, in other words, would you let this group into your home? Our camp fills up fast. Do not procrastinate. Many groups schedule the next year as they leave camp. The caretaker(s) **can not** accept an application unsigned and will not schedule the group until a properly filled out and signed application is presented.

A ROSE BY ANY OTHER NAME

Would still smell according to William Shakeaspear. (Shakespeare's cousin). Which started us to think. This is not as easy as it seems. The names of our great camp's trustees, do they also have meaning. Our great and fearless, if sometimes, no every time late leader "Don" an important personage or leader of an organized-crime family. He is also somewhat out of Gear at times. You don't know "Jack S...". Well let us introduce him he is our chair of Vice. Don't give us any Flack or Uncle Tom our Secretary will write you up. Handy Jerry our former Treasurer found his clone Jerry who is a Smith doing a fine job as our new Treasurer. Gilbert is the Centimeter-gram second electromagnetic unit of magnetom force or in laymen terms an attorney who guides our camp through the legal mess that a "Don" may get into. Our Trustee from Decatur Central was "Bourne" to be a Lion. On Pork Chop Sunday the smell of trustee Old Ham is in the air. Speaking of food our Indy Washington Twp. Trustee is a patty of ground beef

mixed with eggs, milk, onions, can be half baked or is normally fried. Our New Salem trustee could be a city in Utah or Cud be something of worth. Our Greenfield trustee is an itemized statement of fee or charges. North of Richmond is our Region 5 chair. From Fountain City comes a Bonnie (pretty) trustee. Well that **MIGHT BE** far-fetched. From Connersville comes "The Whip" who has a very nice wife who's name nobody knows. More on that later. From Shelbyville is a city in New Jersey (what can be said with Schnaiter?). Then there is "Ivan the Terrible" from Greenwood. He works people to death. J from Batesville married K to save on engraving costs. Old-hams son dug out to Sneaky Ridge, is that bright? Who but a Dick could do this to a great bunch of Lions.

HAPPY VD!

What a great Valentine's Gift! Buy you Valentine a Camp Woodsmoke (The Best!) memorial brick. A box of candy. . . too fattig, liqueur. . . it is quicker. . . All that fades with time. But! A brick that lasts forever. A public display of your love. What Joy! And for such a small cost. \$35.00 buys two lines, for only an additional \$5.00 you can have three lines. Lines are 14 characters each. Spaces and punctuation counts as characters. To order send your name, address, telephone number and check to: Lion Bonnie Roark, P.O. Box 281, Fountain City, IN, 47341, phone 765.847.2542.

CARY GRANT. . .

Said Judy, Judy, Judy. But **NOBODY** else seems to know her. She is by most standards a reasonable well liked person (perhaps "Eye Candy"). We of the fourth estate are at a loss as to why her husband "The Whip"... wait maybe that is the answer. Who knows...maybe the shadow knows. But such oversight is not limited to that "Whip" person. During cabinet meetings while our poor, overworked, underpaid, but never complaining, wonderful lady Lion voted, but nobody remembered her. Well Lion Judy let it be known that this Lion understands that you are in fact the driving force behind the, for the present, District Governor Lion what's his name. Take comfort dear lady that we know you, that and your two (2) pair of fur-lined handcuffs.
