Greetings Fellow Lions,
Isn't it GREAT to be a Lion?

As I sit here writing this it is just a few days before our State Convention. I hope that by the end of the month several of you will be able to say, I went, I saw, I made new friends, I learned and most importantly I had fun. That is what the State Convention is all about, going, making new friends, having fun and maybe picking up a new idea along the way.

State Convention time also reminds me that even though my time as your District Governor is slowing down and quickly coming to an end there are other events that are just now gearing up for their "busy" season. Like working at the Speedway selling tickets to help the Vision Van and the Foundation. If you are able to help out or would like more information on this event PLEASE contact Lion Paul Shane or a Foundation Trustee. Lions this is a very worth while activity and is one of the easiest ways for us to earn money for these two projects. And just like the State Convention you will be able to say I went, I saw, I made new friends, I learned and most importantly I had fun.

This is also the time of year to be making plans for the new Lions year. By now your club should have already voted on your clubs new officers. So the next thing is to file your clubs PU101 to get those officers reported to Lions Clubs International and to Lion Denise Salsbery, you must file with both. Without it Lions Clubs International will not know who your clubs contact person is should they need to send you anything like a banner patch, a dues notice or a password so you can file your reports on-line during the year. Along the same line, Lion Denise will not know whom to place in the District Directory for your club. If you have any questions or have not yet received a PU101 from Lions Clubs International please contact Cabinet Secretary Lion Malynda Clevenger for assistance.

Hope to see you all at State Convention.

Greetings Fellows Lions!

Well, spring is finally coming back after a brief hiatus. It is that time of year when we survey the toll of winter, witness natures rebirth with the beauty of trees coming alive with their leaves and blossoms of flowers. Spring brings on green lawns, being able to open up windows and smell the fresh air of spring. Yes, it is a great time of year.

For Lions it is a time to elect and train new club officers, set up project committees, review current project and plan new ones, look for new members to compensate for our winter membership losses and to help rebuild our Clubs. By getting new members we will have more hands to do more projects. And let's face it, most of our Clubs need younger energetic members with new ideas to keep our Clubs going. Don't be afraid to ask young people, women, husband and wife for the Lions family membership program. Just remember, in order to keep your new young members you must give them responsibility; make them feel they are of value to the Club and that they are welcomed.

The Districts newest Club, the South Henry Lions Club, just added 6 more new members. This is a Club whose members are couples and all are under 40 years of age.

What a way to go. Congratulations!

Thanks to the Lawrence Lion Club for hosting our first Officers Training session and to the Trainers and the new officers who attended. In June we will be having more training at sights in the south east and south west parts of the District and (make up sessions) at cabinet meetings. So Club Presidents make sure your new officers are advised when the training is scheduled. We will also be scheduling training for Region and Zone Chairpersons.

(Continued on Page 2)

(Continued From Page 1)

Remember, as an out going Club President you are eligible to be appointed a Zone or Cabinet Chairperson. I am looking for new persons with new ideas and a willingness to help the District in this next Lions year. Please contact me if you have a desire to be a part of District Leadership and to advance in Lionism.

Dates to mark on your calendar:

July 22 Organizational Day at Camp Woodsmoke
July 2-6 Lions International Convention in Chicago
August 18- District F Banner Night
September 5-8 USA –Canada Forum in Grand Rapids Michigan

Workers Needed

Workers are still needed for work at the IMS 500 Mile Race. If you or anyone you know can work any of the following shifts please contact me as soon as possible. This year there will be more options for the money earned. As in the past \$10 of your money earned for each shift worked can be returned to your Club for their Administration Fund the rest to the Vision Van or all the money can go to the District 25-F Vision Van program. This year due to the Eyeglass Mission to Mexico needing to raise funds, the Vision Van Board has voted to allow anyone who wants can allocate \$20 of each shift work to go towards funding the Mission to Mexico next year (2008) the rest to be retained by the Vision Van. Since the Mission next year will be on our own (without District 25-A's help) there will be a lot more expenses for our own equipment. Please consider these options and I will ask all those working to indicate to me where all they want their money to go. Thanks.

Workers Needed:

Tuesday May 8th – 2 workers at 7:45 AM
Wednesday May 9th – 3 workers at 7:45 AM
Thursday May 10th – 3 workers at 7:45 AM
Friday May 11th – 9 workers at 6:45 AM
Saturday May 12th – 6 workers at 5:45 AM
Sunday May 13th – 6 workers at 6:45 AM
Saturday May 19th – 2 workers needed at 7:45 AM
Sunday May 20th – 6 workers at 7:45 AM
Friday May 25th – 8 workers at 6:45 AM
Sunday May 27th – 3 workers at 4:45 AM

ALL WORKERS MUST WEAR BLACK OR KHAKI PANTS. NO SHORTS, NO BLUE JEANS, AND NO BLUE PANTS OF ANY KIND! PLEASE ADHERE TO THIS RULE.

The directions to the track are as follows. Turn East off Georgetown Road on 30th Street. Go East about three blocks to the Gate 10 entrance at the North end of the track. Enter Gate 10 and the Yellow Shirts will show you where to park. Lion Ron Hinshaw or I will be there to pick you up in vans to take you to the Museum Basement. Box lunches will be provided. Everyone who works will need a ticket. I will need a contact person's name, address, telephone number, and e-mail address if possible for each group working. IMS will mail that person tickets for day or days worked and the number of Lions working. Please contact: Lion Paul Shane, P. O. Box 1052, Columbus, Indiana 47202-1052, Telephone No. (812) 314-0806, Cel No. (812) 350-2969, or e-mail: shanept@yahoo.com to sign up. Thank you again. Let's have a great year.

What Is The Lions Youth Exchange Program?

Every year since 1961, young people have participated in the Lions International Youth Exchange Program. The goal of the program is:

To create and foster a spirit of understanding among the peoples of the world.

Unlike other exchange programs, the Lions International Youth Exchange Program is not conducted for tourism, education, or employment. Instead, it is a unique cultural learning opportunity.

Participants of the Lions International Youth Exchange Program must:

- be between the ages of 15 and 21;
- be sponsored by a Lions club;
- have a basic knowledge of the language of the host country;
- be suitable to represent their community, Lions club, and country;
- be willing to accept the customs of another culture.

Potential youth exchangees can request local Lions club sponsorship. When multiple requests are received or in the absence of requests, Lions clubs often conduct speech contests, essay writing contests or personal interviews to select youth exchangees.

Exchanges can occur in any of the more than 200 countries in which Lions clubs exist. Most exchanges last between four and six weeks. Often, exchangees also participate in the Lions International Youth Camp Program.

Travel arrangements for exchangees are made between the Lions youth exchange chairpersons in the sponsoring and hosting regions.

The costs of transportation (including actual fares, insurance, airport fees, customs duties, and layover or overnight fees) are the responsibility of the sponsoring Lions club. These costs may be paid by the club from district funds (if available), by the youth, his or her family, or by some combination of these sources.

Food and lodging expenses are the responsibility of the hosting Lions club.

Exchangees are responsible for personal expenses (approximately US\$75 per week) such as phone calls home, souvenirs, etc.

Exchangees with physical disabilities have successfully participated in the Lions International Youth Exchange Program.
